Join the MAX.

Tech MAX is Yamaha's class-leading MAX Sport Scooter line that comes with all the style, exclusivity and functionality you'd expect from a flagship range. Equipped as standard with a state-of-the-art specification that includes a connected TFT dash and Garmin Navigation*, as well as a luxury seat and special colours, the NMAX 125 Tech MAX is the ultimate lightweight. (*Full map Garmin Navigation is available free of charge for NMAX Tech MAX models but is not offered in all countries. Some navigation features are not available in all countries.)

Featuring a compact body and dynamic dual-eye headlights, NMAX 125 Tech MAX takes the affordable 125cc category to another level. And with its iconic MAX-inspired design, first-class finish and extra features, the Tech MAX is the clear choice for riders who want a premium version of the NMAX 125.

What makes the NMAX 125 Tech MAX so attractive is its easy accessibility and daily practicality. Designed for commuting to work and leisure, it's an ideal scooter for car drivers and returning riders who want the freedom of two wheels. And it's the best way to become a part of the MAX Sport Scooter family.

NMAX 125 Tech MAX

Dynamic MAX-inspired design

The NMAX 125 Tech MAX features a dynamic look and premium finish that's inspired by Yamaha's class-leading MAX family of Sport Scooters. The compact bodywork underlines this lightweight scooter's agility and sporty DNA, making it the perfect choice for riders looking to be a part of the iconic Yamaha MAX family.

Dual-eye projector headlights

With its dynamic and sporty look the NMAX 125 Tech MAX features a sharp headlight design that underlines its position as the most exclusive entry-level Sport Scooter. Featuring a distinctive dual-eye design, the headlight is equipped with projector high and low beams as well as LED position lamps and integrated LED flashers for a stronger and more assertive image.

LED taillight

NMAX 125 Tech MAX is equipped with stylish LED taillight and brake light as well as integrated LED flashers that give this exclusive lightweight Sport Scooter a dynamic and contemporary look.

4.2-inch connected TFT dash

The 4.2-inch full colour TFT multi-theme dash offers a high level of functionality including Garmin navigation*. Equipped with a Link Card Module, the connected instruments enable you to listen to music**, answer incoming calls**, view email and SMS notifications and more. Download Yamaha's MyRide App and stay in touch with friends, family and work. (*Full map Garmin Navigation is available free of charge for NMAX Tech MAX models but is not offered in all countries. Some navigation features are not available in all countries. **Audio services require a separate headset with Bluetooth communication.)

Exclusive Tech MAX finish

NMAX 125 Tech MAX is the ultimate entry level Sport Scooter. The high quality contoured dual seat is equipped with a special black leather-look cover with gold stitching and suede detailing. Offered in Ceramic Grey and Crystal Graphite colour options, this premium 125cc lightweight projects a high-quality look.

125cc EURO5+ engine

Equipped with the latest Yamaha Blue Core technology that ensures minimal fuel consumption, reduced emissions and optimum performance, the 125cc 4-stroke EURO5+ engine delivers strong, smooth and quiet acceleration for easy and enjoyable commuting. Giving a long riding range between fuel stops, this entry level Sport Scooter is perfect for work and play.
