XMAX 125 Tech MAX+

It's easy to stay in touch via the connected TFT dash with free Garmin navigation* via smartphone – and you can feel the effective wind protection provided by the electrically adjustable windscreen. Relax in the knowledge that the traction control and ABS provide added riding confidence. And every time you arrive at your destination you'll know that XMAX 125 Tech MAX+ is the best choice. (*The navigation app will not be available in some countries. Information on speed limits, traffic, etc., is not provided in some countries and regions. Speed limit data may also not be updated in a timely manner and speed limits may change depending on the time of day, such as in school zones or around construction sites.)

Experience the MAX.

If you're looking for one of the most stylish and luxurious ways to get into the city, the XMAX 125 Tech MAX+ is just waiting to be discovered at your local Yamaha dealer. Equipped with exclusive heated grips and a heated seat – and driven by a fuel-efficient Start & Stop EURO5+ engine – this premium B-license* model is Yamaha's ultimate 125cc Sport Scooter. (*Limitations and restrictions may apply per country under applicable laws. Additionally, Yamaha recommends all riders to take a motorcycle training course before riding.)

Its high-end specification includes an electronically adjustable screen for ultimate wind protection. The TFT dashboard gives full connectivity, enabling you to access free Garmin navigation* via smartphone as well as calls, messages, music and more – and dedicated Tech MAX colours with exclusive bodywork features reinforce the high-end image. (*The navigation app will not be available in some countries. Information on speed limits, traffic, etc., is not provided in some countries and regions. Speed limit data may also not be updated in a timely manner and speed limits may change depending on the time of day, such as in school zones or around construction sites.)

Dynamic sports bodywork with full LED lighting ensures that the XMAX 125 Tech MAX+ stands out in the crowd. Its good looks are backed up by functional features, including under-seat storage for two helmets* – as well as a fuel-saving Start and Stop system, Smart Key keyless ignition and a USB Type C socket. (*Depending on their size and shape.)

XMAX 125 Tech MAX+

Heated grips and heated seat

When you invest in the XMAX 125 Tech MAX+ you can expect the very best in terms of style, quality and technology. And with its exclusive heated grips and heated seat the Tech MAX+ is also one of the most comfortable Sport Scooters in the class. Together with its wind beating screen and dynamic sports bodywork, the heated grips and seat make this high-end model the ultimate year-round commuter and leisure model.

Electrically adjustable screen

MAX models are renowned for their extremely comfortable ride quality, and the XMAX 125 Tech MAX+ is equipped with an electronically adjustable screen that gives effective wind protection. With 95mm of range, this screen can be raised and lowered at the push of a switch on the left handlebar to suit different riding styles and physiques. The integrated flashers are also designed to give effective wind protection for the rider's arms, and the fairing and spoiler help to eliminate wind buffeting.

Premium Tech MAX+ finishing

All over this premium Sport Scooter you can see a wide range of special features and details that are exclusive to the Tech MAX line. The spacious footboard area is equipped with aluminium footplates, and the mirrors and grip ends highlight this scooter's excellent build quality. There's also a special lid on the front storage compartment, and Tech MAX+ emblems complete this class-leading package.

Dedicated Tech MAX+ colouring

As well as its higher specification and array of special equipment and refined style, the XMAX 125 Tech MAX+ is also offered in dedicated colours that reinforce its position as the premium Sport Scooter in the class. Whether you select Ceramic Grey or Crystal Graphite, you can be sure that your Tech MAX+ is going to generate that feel-good factor and exceptional pride of ownership every time you ride.

4.2-inch full colour TFT instruments

Day or night, commuting into the city or enjoying a weekend ride, the stylish Tech MAX+ dash gives you clear information. Featuring a 4.2-inch full colour TFT display on the right side and the 2.8-inch LCD readout on the left, the latest instrumentation gives you a wide range of machine running data and information on the various connectivity functions.

Smartphone connectivity

When you're riding the XMAX 125 Tech MAX+ it's easy to stay connected with friends, family and work colleagues via the free MyRide app. Your smartphone and the machine establish a Bluetooth connection to receive calls and messages – as well as listen to music and access a wide range of information and more through the 4.2-inch colour TFT display.
